“ Mary was the sculptor and I (along with every new detention worker) was her clay! She molded us to be the best workers ever! She was an absolute one of a kind force of energy, an incredible groupworker, and a type of woman I had never experienced before. I was a young student when I started in Skipworth in 1977 and Mary became one of the biggest influences in my professional and personal life. I am so grateful to her for everything. My deepest condolences to Melanie, Deborah, Richard and their families.

“ I have so many wonderful memories, Aunt Mary knew I loved crafts and she'd bring fun craft things from where she worked and taught me. One was the seed bead rings, they were so fun to make. We had the funnest camping trips to the beach or just going to Patterson Park for an all day BBQ lunch. Wonderful Christmas's so very special and Thanksgiving, I really miss it all but so thankful Aunt Mary taught us how to (Saturday) clean the house, bedrooms...yep we'd sing into our vacume handle or hair brush's along with the Supreme's. Aunt Mary and my mom Sandra Schreiber went to beauty school together...and that's how it all started. She's having a wonderful family reunion with my mom & dad, Aunt Betty, Aunt Bobby.... well a Dang lot of family & friends 💖🙏💖

“ Every time I saw Grandma Mary, she would say "Hello Sweetheart. How have you been?" You couldn't help but smile, give her a hug, sit down and have a chat. Until we meet again.
