

## MaryLou Hewitt

December 14, 1927 - July 12, 2015

Surrounded by friends and family MaryLou Hewitt died at the age of 87 on July 12, 2015 in Corvallis, OR. MaryLou was born in Portland, OR on December 14, 1927 to Anne Lee (Miller) and Milton R. Klepper. She was married on February 18, 1949 and traveled extensively in those early years with her husband's various work locations. From this union came her two sons, Rob and Doug. They settled in Orangevale, CA in 1959. MaryLou moved back to Portland in 1969 following a divorce. She found her calling as a House Mother at Kappa Kappa Gamma Sorority at Oregon State University, a career that lasted for more than 20 years. MaryLou stayed in Corvallis after her retirement and lived the rest of her life surrounded by many friends, family and, of course her best cat buddy, Suki. She was a wonderful person, mom and friend to anyone that met her. She never said anything bad about anyone! She will be missed dearly. MaryLou was preceded in death by her parents and her sister, Peggy. MaryLou is survived by her two sons, Rob (wife Barbara) of West Linn, OR and Doug (companion Patsy) of Fair Oaks, CA as well as grandkids, Chelsea, Brittany, Rob, Matt and new grandson, Hunter. A Celebration of Life will be scheduled at a later date.

“*To Mary Lou's family:*

*I loved the chances I had to drive Mary Lou on my volunteer days with Dial-A-Bus. She was always upbeat, our visits were so enjoyable, and she was always beautiful in outward appearance. She was a true delight. There are many at Dial-A-Bus who feel the same way. Please know that she will be greatly missed!*

“*Rob and Doug: Your precious mother was more than a patient of mine. I considered her a friend and I think she thought of me the same way. When she came in she brightened up my day especially when she told stories of Suki. I will miss her and I offer you my condolences.*

*Frank Heresco, her chiropractor.*
