“ You always knew where you stood with Auntie, she gave her opinion when asked. We went to Garage Sales on a few occasions and we had a terrific time. You will be missed Auntie. You stood up for me when no one else did. I love you and had the highest respect for you, Kenny here, I learned to love her through all the conversations we had, and finding out that we had a lot of ideas in common, like raising our kids, one thing I remember is that Auntie Maxine welcomed me in to the family right off the bat, I didn't have to prove myself. She will always be in my thoughts, we will miss her. We love you Auntie Max
