“Lindy was like my little girl, from the age of around 8 months. She grew up along with her big sister, Candi, with my 3 children and all 5 kids were like 1 big family. She was a true champion and fought the good fight... never complaining about her health, but just doing what she needed to do. Her cheerful spirit was a true testimony of her happy heart.

What a beautiful legacy she has left her two boys. Alex and Leith... You young men were truly blessed by your mother. And, Herb completed Lindy, giving her a beautiful marriage, like no other, that I've ever known.

I am so sorry to not be able to join you for her memorial... But, You and she will always be in my heart. Carolyn Abrahams

“Lindy was my role model and friend. My girls called her Grandma Lindy because they were so fond of her. She was generous, kind, loving, and always saw the good in people. She was generous in so many ways, especially with her love. Her kidneys may have been weak, but her heart was incredibly strong. I knew her. I loved her. My heart goes out to Herb, Alex, and Leith.
