“ Mike became a great friend to me and my family. We look forward to seeing him everyday and saying hello. He was always so kind and sweet to my boys. He made us feel safe and would look out for us. I will never forget our wonderful talks and the fact that he really cared about people. Mike always went the extra mile and took time to ask how we were. I will always remember Mike as a kind man. We miss him greatly. Thanks Mike for all that you taught me!

“ Michael was our unofficial neighborhood greeter. We always got a smile and wave from him as we came and went. He was caring and gentle; young and old will truly miss him.

“ Not sure if my other comments were saved. I always think of Mike smiling and playing the drums. I will miss the service next week as I will be in Washington DC visiting my 2 month old grandson. Mike would be happy to know that was what I was doing. As Chris asked me I have been telling people in Eugene. Everyone remembers Mike as a great friend. Love and prayers Richard Greene
