“ *Is this the Michael Sprouse who we affectionately called PaPa Sprouse and lived in Clinton, MD back in the early 1970's. If so we were friends, and would like to know when there is a Memorial Service.*

“ *It was only when I tried to call Michael yesterday that I found both his phone numbers no longer functional. Then I Googled his name and discovered that he had passed away last year. We knew each other for over 50 years. At one difficult time in my life his friendship was a critical lifeline. I will always be grateful.*
