“ Mike played next to me on the line at Benedictine High in Richmond, Va. He was a ferocious lineman, good friend, and great student. Pound for pound, he was the toughest guy on our team to block even though he was one of the smallest. I will always admire him

“ My deepest sympathies to you and your family. I am so sorry to hear the news!
I love Dr. Wong he was such a great doctor to my 2 boys 1999 & 2000 when they were born and as they grew up. My boys loved the clown that he kept in his doctor jacket as you squeezed the clown it would balloon up that made my kids smile. What a nice guy! I'm so lucky that my kids had him as a doctor and my family!
My thoughts and prayers are with you and your family.
