“ To Nettie's family, So sorry about your loss! My dad Dave and Ed were best friends. my parents and Ed and Nettie lived 3 blocks away when they lived on South Shore. She was one of the nicest people I have ever met! I remember going there to visit and playing with the pug dog ginger and Nettie always let me and my brother and sister get a mini bottle of pop out of the pop cooler, and there was always treats for us to have as much as we wanted. We always loved to walk across the bridge that was over the water feature in the front yard. My mom would always come to ceramics class at Nettie's, and I could not wait til I was old enough to be able to go with her, they of course moved before I was old enough, but there are so many memories that I have of both Ed and Nettie! Great people! We are all so sorry for your loss! If you need anything please let me know. We lost dad (Dave) in March, so we know what you are going through. So if you need anything please let us know!
