“ Norma was so special to me. So full of life and wisdom. I'm sure she is dancing on the streets of gold with Jesus right now, just like in her drawings from the 40's, and I can't wait to join her.

Thanks Patty. Is this your artwork, or was it done by Mrs Lachelle?

“ Mrs. Lachelle encouraged me as an artist, gave me on of her paintings which I will share here. She knew my family was French Basque favoring the Spanish side. We struck up a bond. We went to the movie “Old Yeller” together, we talked about the mercy killing of Yeller. She came to one of my art shows. I adored her. It was my love of her classroom that kept me motivated to stay in school. For a while my locker was thankfully near the art room. I love you Mrs. Lachelle and I know you love your daughter. Sorry for your loss. You are in my dreamscapes and I will see you again. Love, Patty Robidart
