“ I'll never forget the first time I met my sister Nuleen. Sad to say it was at our father's funeral. Right away we bonded and we spent hours reminiscing our childhoods and the fact that we never had the opportunity to meet each other. She and I and our other sister, Rae Anne, met a year later in Salt Lake to distribute our father's belongings. As children both sisters were in Salt Lake Coty for a time living with our father and then they went to California to live with their mother. I was in Wyoming living with my grandparents and my mother. Then I went to live with an Aunt and Uncle in Mississippi and Texas. I visited Wyoming often and Nuleen did visit in Salt Lake although I never visited there until much later. Nuleen married and moved to Oregon where she and her husband raised their children. I married in Texas where my husband and I raised our children. We met at the funeral of our father (1909-1979) and from that time we kept in close touch and saw each other as often as was possible! She was an outstanding correspondent and I've kept all Of her letters in our Knight family history which tell the story of she and her family. I will always miss our communication with each other as we truly bonded as sisters in spite of our backgrounds.

*I will always be grateful when Aunt Nuleen and uncle Leonard came to Laramie to see me and to help me because my Dad was sick and in Texas with my Mom. I loved sitting in their camper talking!*

*Aunt Nuleen was a very wonderful Person . Always smiling. She was also fun and good to talk to. I loved their little camper. And loved to hear about their adventures. Uncle Leonard I am so sorry. But I do understand how you feel. Jenny losing a parent is very hard. Remember I am here if you need to talk. My heart is with you guys. Hugs to all. I remember the picnic's we all went on up in the mountains. First we'd follow uncle Len around treasure hunting. Then come and listen to Mom and Aunt Nuleen talk. It was always an adventure.*
