“ *Thank you so much to all the friends of the Village, members of mom's church, cousins and family that could attend her funeral. I feel a void in my heart with the loss of her life but the sympathy and warm thoughts I've received seems to have filled that space and is radiating out. She is dearly missed but keeps living on in so many memories. I have learned much from her example and will be forever grateful for the times we have shared.*

“ *I met Opal three years ago when I moved into the Samaritan Village Retirement Community. During our first conversation we discovered her daughter Korene and I had gone to high school together. Every time I walked by her apartment I enjoyed her beautiful flowers and plants. It was a special treat when Opal was outside enjoying her flowers. She had a quiet, gentle spirit and a sweet smile. I will miss her. Praying for her family during this difficult time. Hoping memories of your mother will bring you comfort and a little joy. I will miss you, Opal. Sandy Nored*

*I'm not happy about a world without Aunt Opal, but am so thankful for the times we had together. She was always a fount of information about our family, and such a positive influence on all of us. I remember our hike at Mt. Rushmore, enjoying Belknap Springs, fun at the park in Creston, so many cousins in Corvallis 😊 I love you Aunt Opal, Bonnie*
