“*Mrs. Meiers was my high school Spanish teacher at CVHS. She was a tremendous intellect, witty and deeply knowledgeable about the world. We learned so much from her. She once told us she only needed 4 hours of sleep a night so we presumed she was so brilliant because she spent the rest of the time studying. There was something regal about her. Wordly, kind, affectionate, rigorous--she was truly an inspiration. My personal life, profession, travel have all been linked to the Spanish I learned from her. It was a privilege to be her student. There is a very big hole in the sky today.*”
