“ *I send all my love to Uncle Ted and family...During these times of pain remember her for that great lady that she was!
I will always remember Aunt Pat for how she was one of the most caring and loving people I knew. And she was so fun...she was spunky and loved to give us a bad time...lol. I will miss her so much...and I will cherish the times we had together! My only regret is that I was not with her more often....Bye Aunt Pat till we see each other again! xoxoxoxo*

“ Dear Mr. Williamson, Lorie, Mike, Deanna and all family - My sister called me today and told of the passing of Mrs. Williamson. I was so sad to hear of her passing and remember the last time I saw her at WinCo with Mike. She looked so well and happy. If there's anything I can do for any of you, please let me know. Please know that my thoughts and prayers are with each of you during this difficult time.

“ Dick and I are sorry for your loss. We know Pat was sick for some time and while her death is a release to her pain, we know it is painful for her family. May the Lord bring you comfort and peace in the days to come.
