“ Hey there,  
I didn't know your folks all that well but seeing you kids' names brought back quite a few memories. We spent a lot of time together at home and school and on the bus. I went to Vera's memorial a while back and it was determined that us northernmost kids spent about 2 hours a day together with her. More bus time than any other students in the entire district. My deep and sincere condolences to your whole family.
