“ I will forever be grateful to have known this wonderful, kind, funny man here on earth where you made life a bit more joyful for me everytime I visited you. I met you and Betty when I was a young girl and appreciate all the love and kindness you both have shown me over the years. I will look forward to us meeting up again in heaven where I am certain you are telling a few good jokes and making the angels laugh. Blessings, much love and peace, Sarah.
