

## Robby Lyn Fisher

October 16, 1963 - January 16, 2017

It is with great sadness that the family of Robby Fisher announces his passing, at the age of 53, at Brookdale Assisted Living. Suffering with Esophageal Cancer for the last 6 months, at what would come to no surprise for anyone that had met him, he was fighting and joking around to the very end. He loved fishing, competing in power lifting competitions, meeting and talking with new people, and enjoying a hot cup of coffee with loved ones. He will be forever remembered by his mother Melva. Four brothers Randy, Rocky, Ronny, and Ricky. Two children Dustin and Brittany. Two grandchildren Gage and Tidus. A celebration of life will be held in Robby's honor on Friday, Feb. 10, 3pm at McHenry Funeral Home, 206 NW 5th St, Corvallis.
