“ I'm so sorry to hear about Bob. He certainly lived a long and full life. He was my gymnastics coach in high school in Spokane Washington. I remember Bob was a coach who wanted everyone to have a lot of fun and he expected a lot of dedication. Still to this day I think that's the hardest I've ever worked and he worked equally hard for us. He stood up for us and cared very much for our team. I'm glad to read he enjoyed his retirement in Coos Bay. He talked about the area quite a bit. Happy he was able to return home.

I am sorry for your loss. While working at North Central HS, I met Bob as he was hired as the gymnastic coach.

I always remember Bob as being dedicated to NC gymnastic program. He always stopped at my office with a smile and a friendly chat.
