“ I miss having coffee with Bob & Laverne.  
I met Bob in recent years and was happy to find out we were both stationed at two bases during the Vietnamese War at the same time. We shared many a story about flight and missions, the long work hours to launch and recover our planes during combat OPS, and the ones who didn't make it back.

*Bob was a "stand up" guy and will be missed greatly!*

“ Bob was a friend and classmate of 75 years from the Visalia Union High School, class of 1949. He was a vital and positive member of the activities we shared in our highschool years and so well thought of by all. I am proud to call him "FRIEND" and he will be forever remembered as his name has been entered in our memoriam. Deepest sympathy to all of the family-we want you to know that we too will miss him and we truly share your sorrow

“ I Remember Bob for all of the great stories and conversations we would have thru the years, when we had a trailer at the Blue Ox RV Park in Albany. We were only a few spaces away from him and La Vern. We have many Great memories of them both.

*Bob was truly a Great person and always ready to chat up a storm or help out if you needed him.....*

“ *Swall family and Ray,*

*So sorry to see of the passing of Bob. As so many, I worked with Bob for many years and always enjoyed his smiling face and great stories. His legacy will live on, as people such as Bob pass through our lives so rarely. He certainly lived a full life.*

*My deepest condolences,

“ This is a man who is going to be cried and laughed over by many! I only got to know him when he was our Campground Host at the Fairgrounds later on in his life. He was a WORKER - always busy taking care of anything that needed attention and he sure knew how to take care of it all!

Bob was stern with the campers to the point of watching them park their rigs and giving them 'ADVICE' whether they wanted it or not. More times than not, they needed his advice! Bob would even park their rigs for them.

My connection to Bob continued after he stopping hosting through my luck of working with his fine son Bob, Jr. One measure of someone's impact on the world is their children and the world is a better place for the children of Bob Swall.
