“ Dearest Katherine and Family,  
One of my earliest memories of Rod and Family was on MVBC Loop Tour of Eastern Oregon (I believe it was in 1992 when we started in Pendleton and looped around through Joseph, Halfway, Baker City, etc.). Mike and Brandon were following along in the Previa van and we would gather with new friends and families in camp. Most recently, I joined Rod on some Wednesday morning club rides and always enjoyed catching up with what he and the family were doing. Sadly, I did not know Rod was ill, but I will always remember his enthusiasm for cycling. Our sincerest condolences,  
Brandy, Mike and Brandon Schuyler

“ Katherine, Richard, Joel, and family,  
We are sad to hear of Rod's death and are so sorry for your loss. May you find comfort in the knowledge that he lived life enthusiastically well, in the memories of how he supported and loved each of you, and in the many ways you will continue to see his influence (genetic and otherwise!) in yourselves and each other. Our hearts and prayers are with you.

“ Katherine:

*My condolences to you. Although I didn't know Rod well, I do remember times that he met you at school- I assumed to assist with some of the many tasks of a primary teacher. Your steadfast care was essential for a more comfortable transition for Rod.*
