“ *Ruth & I used to talk about Heaven. She said some thought her morbid for talking so; but she thought it joy. She told me how she'd accepted Christ as her Savior many years ago. I will see her again, but in the mean time, I'll live a richer life for having known her...the laughs, the visits on the phone & by mail, the encouragement of her words and example. Thanks to the Lord for giving me such an opportunity. Janelle*
