“ Dear Family,

I was lucky enough to work with Ruth at the OSU Student Health Services for many years. Many a social gathering was shared over the years with our health service friends and her family and we were grateful for her hospitality.

We knew her children and watched them grow into fine young adults who shared their parents' sense of humor.

I send my condolences to you all and will keep Ruth's friendship and memory in my heart always.

*Sincerely,
Judy McCann
Sisters, OR*
