“ As my Young Women's leader Ruthell taught me many important things, lessons that I have benefited from ever since. I love her and have thought of her often over the years. She was a blessing in my life at a when I needed her. I pray that my children will have the same kind of leaders that will help them to become the type of person that Ruthell helped me to become. All my love and sympathies!

“ Ruthell was such a great inspiration to me and my family. She was my young womens leader in Vernal. I loved her dearly and learned so many lessons from. She is a part of all my girls camp memories. I know that she is rejoycing with her father in heaven and her loved one who went to prepare her a place. I know she will be greatly missed. my love and blessings to her family.
