“ *Written by Brenda Harris for Sharon. The day you left so did my heart.I knew we would have to be apart. I look at all the photos that we shared, and the void in my heart I'd have to bare. I never got to say goodbye so now I have to sit here and cry. Now you're in a better place, I think of you as a tear rolls down my face. I truly hope all the pain is gone,but now without you I must carry on. Until we meet, in my heart is where I will keep you my friend.* ”
