“ Aunt Sheri was very special to me, and she always let me know that I was special to her too (even though we aren't blood related; her brother Kelly is married to my mom's sister). I was the first baby in the family, she always told me about me being her practice baby while she was pregnant with Tabor. She was a fun and loving person that I will miss very much. I Love you, Aunt Sheri.

“ I worked with Sherri at HP. She's a good friend and leader. Lots of fun in the early days. I will miss her.
