“ Sheryl was a mentor to my son Josh. She really had an impact on his life. We became friends & when Josh died in a car accident she was so supportive & loving. She was a huge blessing in our lives. We truly better off for having know her. She will be missed. I am sure Josh & her are having a good time hanging out in Heaven❤️

“ I remember coming home from FL after a few weeks with my dad and Sheryl had a little surprise party for me at her house with some friends, and this was back in the 6th grade. To say that Sheryl will be greatly missed is an understatement. We had lost touch starting in high school but we still managed to try & see how each other is doing. She always made me, and anyone she met, feel welcome. She helped build that path for me in the friend that I am today. My heart goes out to the family. You're in my thoughts & prayers. -Steph Meyerhofer (Robson)

“ I remember when I first met Sheryl. She was 10 when I started working in the office at Napa Auto Parts. A beautiful child, full of life who grew up to be a beautiful woman inside and out. Her tenacity and warrior spirit has left an unforgettable mark.
