

Steven Scott Haney

January 23, 1958 - September 1, 2021

Our beloved, Steven Scott Haney, passed peacefully on September 1st at 9:43am in the comfort of his own home. After battling cancer, the suffering that he endured this last year has come to an end, and he is now flying with the angels.

Born January 23, 1958, he lived one amazing storybook journey of a life, that only he could retell. Two things that have always been evident to those around him; his heroism and humanity. The son of Barbara & Ronald Mansfield and Stuart & Lori Haney, his life began in Dallas, Texas. He experienced many coast to coast life adventures throughout the years, before marrying his wife (of 31 years) and ultimately settling in Corvallis, Oregon.

A devoted husband and protective father, he worked hard for his family and consistently shared his wisdom and personal growth through his own encounters. He recently retired from Oregon State University, as an assistant director for Housing & Dining Services, and took great pride in his contributions. A loyal friend, caring mentor, true craftsman, genius mechanic, creative inventor, and always finding time to work on a new project for others.

He had a deep love of family, a true appreciation for music, enjoyed the outdoors, and genuinely dedicated himself to giving back. His outlook on life would exude in any conversation with him. His passion was to help those in

need and make the lives of those around him an easier journey. A student of life, a very gratuitous and generous soul, he sought only to extract the person we are from within us.

Steven is survived by his wife, Angela Haney, son, Jeremy Haney, daughter, Melanie Washington, son-in law, Jamal Washington, cherished grandchildren Ajanae, Jamal Jr, & Jadeya, beloved parents, loving brothers and sisters, and many treasured nieces and nephews who will miss and love him dearly. He is reunited, in heaven, with his sweet son Simon.

A Celebration of Steve's life will be held on Friday, September 17, 2021 from 3:30-4:30 at the LaSells Stewart Center on the OSU campus. A private family memorial is planned in New Mexico in November. Please leave condolence messages for the family here on the website

“ My heart ❤️ goes out to you Angela and family. I'm thankful Steve is out of pain ... but sorry for the pain you are going through. Steve was the best. His smile was catching and could make me smile...even on a bad day. We had so many talks over the years and his calm and wisdom always inspired me. He was an incredible man and was the most ethical, moral and wise man I ever worked with. His integrity was a belief he lived each day. His humor made me laugh. He was quick to find the good in people. He was so thankful for Angela and often said so. He lit up when talking about Jeremy and his incredible journey and how proud of him he was of him. He was always excited to share his latest accomplishments. He loved it when Melanie visited and adored his grandchildren. He was a friend you could count on when on need. He an Angela taught me about friendship, love, glass half full, acts of kindness and so much more. As the lyrics in the song Cowboy Rides Away say dear friend... "the last good bye is the hardest one to say" ... yes, it's hard but I'd like to say not good bye but till we meet again.
