“ When buying tires and wheels for our 1938 Chevy pick up at Hanson Tire I also met Steve. In the years following he helped me out with the odd issues I seemed to always get myself into and weird situations with my car. A few house calls along the way too for which I was grateful. I will miss him and am proud to have had him as a friend. My condolences to his family at this sad time.

“ We first came to know Steve at Hanson Tires where his work ethic and customer service shined brightly. Years later we moved to the Beaver Creek area and learned we were country neighbors. Always great to chat with, Steve’s old fashioned kindness, honesty, and caring will not soon be forgotten.
