“ *Such beautiful photos of Suzanne. I'm so sad and sorry to hear she passed away. I was privileged to work with her at Peace Health many years ago. I clearly remember her kindness, her devotion to patients who were ill or severely injured and her lovely, genuine smile.*

My condolences to you,

Jane

Hello. I was just thinking about Sue and then thought perhaps I could find her and I'm very sad to see that she passed. We were very good friends in high school.

I'm so sorry to hear of her passing.

I'm so sorry to hear of Sue's passing. We were good friends in high school, along with Martha Fenn. We moved to Corvallis in 2016 and I'm sad I didn't get to see her again. Much love to you and the family
