“ Sending love and prayers to Teresa's family. We lived on the same road and raised our children during the same time frame. Teresa could always make me laugh and was the best grocery checker at Albertson's there ever was. I remember her years at Pioneer Telephone and her cheering her girls on at every athletic and academic event at Eddyville Scool they were involved in. We will miss her sweet smile and great attitude. Blessings!

“ I am so sorry for Teresa's family's loss. I loved the long talks we would have about anything and everything. She was usually very positive, but even when she was angry I could always make her laugh. Teresa was a great person and I will miss her, but now her and Kris are back together!
