“ I never saw Tom without a mischievous smile on his face or a twinkle in his eyes. He had a calm and playful presence that reminded me of the important things in life. If it's possible, I believe he loved my dear friend Kathy more than I do—or maybe just differently. Tom affectionately called me Laverne, knowing that Kathy was my Shirley. I think about you, Tom, as I walk through Finley or when I am stuck behind farm machinery going thirty miles an hour on 99W. You are loved and missed. Laverne (Laureen) and the Urey clan

“ I just heard about Tom and just could not believe it. He was always the young man of the bunch. The wedding picture brought out memories of friends lost, and now Tom. My heart goes out to the family. -David Magdefrau

“ *Kathy and family,
I am sorry to learn of Tom’s unexpected passing. I knew him as a close friend and roommate of Denny Ludy, and star athlete on the Squirrel’s softball team. Over the years it became clear he was a proud and loving father and husband. His warmth, good humor and intelligence showed in everything he did.
“ May the rains from the heavens fall gently upon him..May the wildflowers and grasses whisper his wishes into light.”*

“ *Most of my memories of Tommy were city league softball and basketball. He was a good athlete w a great sense of humor. He played for Squirrels & some weekends we would blend our team w Squirrels for tournaments around the valley. A great time was always had by all. More recently he would show up at Golf City Pub on Super Bowl Sundays to help me manage the boards & watch the game. We’d talk about our daughters and like me, he was always telling stories about how proud he was of his girls & then young women. He is & will be missed. A truly great guy.*

“ I have so many good memories of Tom as we were growing up. Aunt Bev and my dad were siblings, and our families were very close. All the holidays were spent together, as well as many Sunday dinners with the family, including Aunt Alice, Uncle Toby and Aunt Gladys, and Uncle Ted and Aunt Harriet. We had so many good times, and it was a great childhood. Tom and my brother, Mike, were only three weeks apart in age, and they left this world just two weeks apart. They were like two peas in a pod when they were young. I will miss them both. My heart goes out to you, Kathy, Laurel and Sophie.

Our deepest condolences,
