“ Timmay was a wonderful person. We dated for three years back in the mid 80's. I was searching for him via facebook and came across this terrible news. I will never forget his kindness. May he rest in peace.

“ We loved Tim like family. He was one of our best friends and will be missed dearly by us and so many others. Among other things, Tim was a great travel partner. We went to see the Beavers play at LSU, Louisville, and Penn State. We lost all those games! But even when I had enough and wanted to leave the game Tim remained the eternal optimist and consummate sports fan by encouraging us to stick out the tough ones! This spoke volumes about who Tim was...loyal, big hearted, and downright good to the core. We love you, Tim.

“ Wishing I could accompany Terry to your celebration of life Tim. The memories you made with Terry will continue to help him through this hard time. And I remember the fun bar-b-ques, baseball games, drafts at the Harryman's. I hope that all your family and friends are reflecting on their memories, the joy and laughter you brought them as well. You are greatly missed. My prayers to your family.
