

Tiny Jean Hubbs

April 1, 1939 - July 9, 2021

Tiny Jean Hubbs passed away on 9 July 2021. She was born Tiny Jean Welch on 1 April 1939 in Phoenix, AZ, to James and Cecil Welch while the family was migrating from Oklahoma to California. She is preceded in death by her parents, three brothers, one step brother, and one sister.

Hers was a life of love and sacrifice. Tiny did not have a regular childhood as she was the primary caregiver of her younger brother, Jerry "Shorty" Welch and sister, Bonnie, while her parents and older siblings worked. Tiny was married at the age of 17 to Bueford Hubbs, age 20, in Tulare, CA, on 19 June 1956.

Tiny loved reading, crafts, shopping, computer games, and doing anything with family. She deeply loved her children, grandchildren and great grandchildren.

Tiny and Bueford's marriage was a special bond. They weren't simply married 65 years, they were deeply in love with one another. Bueford and daughter, Jeannie, were Tiny's primary caretakers to the very end. They gave her the care and comfort she needed and deserved as her health rapidly declined over the last three years. Only love can do that and Bueford gave his all, and then some, for her.

Tiny is survived by husband, Bueford, daughter, Carrie, of Falls City, OR, son, Ken, of Mount Vernon, WA, son, Steve, of Grand Ronde, OR, and daughter, Jeannie, of Corvallis. She had eleven grandchildren and six great grandchildren.

Tiny touched all who knew her with a spirit of kindness and generosity. She was warm and inviting and cared deeply for people, especially the underdog. She was a champion of what was right and fair, and was a fierce protector of her children. She always put others first, and up to the end was always concerned about others. She will be remembered for her forgiving spirit. She never held a grudge, but was always willing to forgive no matter the wrong. She was a loving, devoted wife and a model mother. She will be sorely missed.

“ *Tiny had a delightful smile.
I loved her sense of humor and I always went away smiling and my
day was brighter after seeing her.
It was a privilege to have known her.*
