

Vickie Lewis

January 30, 1952 - April 6, 2012

Vickie passed away peacefully after a 20 month struggle with cancer, supported by friends and family at Good Samaritan Hospital in Corvallis. She was born January 30, 1952 in Salem, Oregon and grew up in Aumsville. She graduated from Cascade High School in Turner, Oregon. Vickie married her husband Jess on January 30th, 1992 in Reno, Nevada. They were married for 20 years.

Vickie worked for Stayton Canning Company, was an assistant to several veterinarian clinics, managed apartments and drove a bus for the handicapped to OSU football games. She loved all animals, the outdoors, camping, riding and caring for horses and mushroom picking. She was a dedicated homemaker who took great pride in her garden and providing a loving and caring environment for her husband and her animals, some of which were adopted strays.

Vickie was a very compassionate person who devoted much of her time helping others to accomplish their goals in life. She mentored many young students and their families and helped them to find accommodations, transportation and access to appointments that helped them to facilitate their lives in the Corvallis community.

She is survived by her husband Jess; her son Mark; sisters, Carol and Christine; brother, Dwayne and their families.

Special thanks to Vickie's Cancer Support Group and the doctors and medical staff at Good Samaritan Hospital in Corvallis, Oregon State University Athletic

Department and McHenry Funeral Home. Memorial donations in Vickie's name should be addressed and directed to Heartland Humane Society, The Cat's Meow or the American Cancer Society.
