“ *In loving memory of Vickie, a woman whose radiance and warmth touched the lives of many. Although we only met once or twice, her reputation as someone who exuded joy and made every moment memorable precedes her.*

*Vickie had a gift for bringing light into any gathering. Her infectious laughter and easygoing nature made everyone feel at ease in her presence. Even in the brief encounter I had with her, it was evident that her spirit was vibrant and her heart was kind.*

*While I may not have had the privilege of knowing her well, the stories shared and the memories recounted by her daughters paint a picture of a woman who lived life to the fullest and embraced each day with a contagious enthusiasm.*

*As we honor Vickie's life and legacy, we celebrate the joy she brought to those around her and the countless lives she touched with her warmth and kindness. Though she may be gone from our sight, her spirit will continue to shine bright in the hearts of all who had the pleasure of knowing her. By knowing her daughters, Rebecca and Wendy, I know that she was the life of the party and always a soft place to fall if you had any troubles. What wonderful children she has!*

*Rest peacefully, dear Vickie, knowing that your laughter and light will forever be cherished and remembered.*
