

## Violet Doris Trosper

January 24, 1934 - July 8, 2021

Violet was born in Portland Oregon to John and Tina Gustafson, and was later adopted by Arthur and Annes Hope. On December 27th, 1950 she married the love of her life Paul A Trosper. They were married for 69 years. She is survived by her daughter Diana Leslie, 8 grandkids and 18 great- grandkids. Violet was preceded in death by her beloved husband Paul, and her two sons Stephan D Trosper and Mark A Trosper.

Violet devoted her life to caring for her husband and family. Along side Paul she served on the Benton County election board, went on countless fishing trips and spent many winters after Paul's retirement enjoying the RV life on the Arizona desert.

Violet had a spunky personality that everyone enjoyed and she will be dearly missed.

“ *Rest In Peace Violet, Paul, Steve and Mark. I have so many great memories of so many great times with the Trosopers so many years ago. Kind of lost touch but I have never, will never forget the time spent with the Trosper family.*

“ April and I want to send our thoughts and sympathies to the Trospen family, and also a "thank you" for being such great caretakers for Paul and Violet as they entered the age when a little more TLC was needed.

*We enjoyed being Paul and Violet's next-door neighbors for 13 years, and we enjoyed the occasional serendipitous visit with them for years after we moved. It was nice to catch Violet on her walks in the neighborhood, or to pop in to say hello.*

*We watched Paul care for Violet, then Violet care for Paul, then the extended family care for the two of them, and then Violet, as it became necessary. They weathered the loss of two kids, steeled themselves as their bodies became less predictable, but knew that they did what they could for friends, family, and community all the while.*

*Goodbye, Violet.*
