“ *Uncle Whit and Auntie Jane took me in when I was 11 years old. My oldest sister had been in a terrible car accident and it was difficult for my mom and dad to watch me and care for my sister and 2 other sisters as well.*

A lot of times while I was in Corvallis I was sad to be away from my family. I remember uncle Whit explaining to me why I was there and that they were my family too and everything would be ok. I will never forget that summer. I will never forget the great times spent in Black Butte too.

“ *Whitney, Mr. Ball to me, was the primary force in helping me be who I am today. I first met him as a Junior Rotarian who he had sponsored from Corvallis Rotary. He assisted me as the Student Body President of CHS in 1959-60 to earn an appointment to the new United States Air Force Academy, earn the Corvallis Elks Scholarship, and to become a Regular Scholarship winner to the NROTC Unit at OSU. Without his help I would never have been able to afford a college education. He also provided a superb example of community leadership through the Citizens Bank Board, earning the respect and gratitude of stockholders like me and my wife, Betty Wakefield Liska. He left a wonderful legacy for all he touched to cherish. Thank You, Whitney Ball!*
