“ Dean was the kind of dad I wish I had had. He taught me to ride a bike out in front of his house. He always treated me and my siblings with such care and love. He & Barbara attended my dad's memorial in Portland, and didn't even get mad when my half brother backed into their car. He & Barbara came up to Olympia, WA for my 55th and 60th birthday parties. And he & Barbara came all the way to Kent, WA for my mother's memorial service. Such a caring person. And that smile. Sending sympathy and love to the family. Debby Kellar Pattin

“ Dear Cheryl and Hanson Family,

Dean and George were two of my favorite people. From the time I met him he treated me like family. He was so easy to like and so fun to be around.

I regret I cannot attend his service but know I will keeping you all in my thoughts and prayers.

My sincere condolences to you all at this sad time.
