“ I always looked forward to seeing Walter. He was a great person and so glad I got to meet him. He always had something nice to say and loved to talk! We would talk about a lot in that 15 minutes and Kimberly was always mentioned. Rest In Peace Walter you will be missed.

“ "LiL" Walt was my cousin. He was always so kind, sweet and easy to talk to! Haven't seen him for years and just happened to hear that he had passed away. I picked him up at the coast once when he was little after he had spent some time with our Grandparents. We had the best visit coming back to Medford. What a sweet person! Will say a little prayer for him and his family!

*I can't believe my young cousin Walter is gone to Heaven. He went through so much in his life - and he always kept going on strong. Thank you Kimberley for taking care of him with love and support. I have a funny story to share. When Walt was in his 20s, I invited him to a beach party near Santa Cruz. I figured that he would be ok driving mountain roads cause my Dad drove logging trucks in Oregon. But Walt drove the flat lands of Medford. He came down with his nephew Danny and a young friend. He white knuckled it through the mountains. He didn't arrive at the house I was house sitting, so he had to drive to the beach on his own. At the beach, my sister Fran looked up and said - Look at that NOSE! It's Walter! Yes, Walter had a hatchet nose and a great big smile that we loved. Good bye dear, cousin - God Bless you.*
