“ We are so sorry for your loss and you are in our prayers. When we moved in across the street 6 years ago, Wayne & Karen were among the very first to greet us and extend a warm welcome to the neighborhood. Wayne offered me very useful advice on the area, local resources, and the history of our new home. He greeted us every time we walked by with our dog, always with a happy smile and a funny comment. His 80th birthday party seems like only yesterday; what a great afternoon. I recall him helping with his bulldozer to remove a dead tree down the street in the winter of 2016.

His smile, his humor, and his desire to help others will be our memory of him. The area seems a little smaller and darker without him in our daily lives. Sincere condolences to the family and may his memory offer comfort.
