“ Billy and I grew up together in the Illahee area of Bremerton Washington. I hadn't seen Billy in many years and often wondered how he was doing in life. We had some awesome days when young and I'm sure he'd agree. Although some of our activities had gotten us in a bit of trouble now and again. I've got so many stories that will be forever gone upon my passing. But I'm glad for all of them be it good or bad. You are surely missed and will be in my thoughts forever. My condolences to your family . Life has sure gone by in a snap of the finger.

“ I was told of your passing today. I was wondering why I hadn't seen you for weeks and was starting to worry. Your wife told me and I'm so sad for her and your family. I know you are on the other side having your next amazing adventure. I'm donating a tree for you and I'm sure you will love it

With love,
