“ I've looked for some time for Don. We were best of friends at Corvallis High and afterwards. Don and I and Mark Frasier were in a band together. When I moved to Blue River and then to Eugene, we would meet up with each other one direction or the other. We lost contact later on. I always thought of Don. My condolences to Don's family and my prayers are with you and Don. Gary Mersereau.

“ Don and I were good friends in early high school and remained friends we Don moved to Philomath his senior year. Don was my first roommate for a short time. We remained in touch after he returned from the Marine's. My regret is that we didn't stay in touch over the years. My prayers for Don and for your family. Rest In Peace Don.
