

Wilma Mary Wynne

April 8, 1923 - December 14, 2014

Wilma Mary Wynne, 91, has joined Albert Wynne, her childhood sweetheart and husband of 67 years, in heaven.

They lived most of their lives in California, where they built their own house and raised eight children. In 2011 they moved to the Corvallis Caring Place assisted living facility to be near their daughter, Mary Devine. Al and Wilma considered the residents and staff of the Caring Place to be their friends.

Wilma was known for her love of family, friends, children and animals, but mostly for her generous and loving spirit, friendly smile and witty sense of humor. She is loved and deeply missed. Donations in her name can be made to Corvallis Caring Place, Benton Hospice Service or any organization benefiting children or animals.

A Mass honoring Wilma will take place at 8 a.m. Thursday, Dec. 18, at St. Mary's Catholic Church.

“ *Mary, what a journey for you and your family!
My thoughts and prayers are with you all. What a gift you gave to your mother in her final days - you were always "there" for her. I will miss seeing you at CCP, yet I'm pretty sure you are ready to move on! Warm thoughts to you and your family, Diana Allen*

“ *One memory I have of Mom is of her making me my favorite REALLY THIN pancakes. I didn't live at home at the time. I worked the late shift at UPS, from 2:30-7:30a.m., and would crash at Mom and Dad's for a couple of hours waking up to the smell of my FAVORITE pancakes before heading off to college. I also remember she loved to sew...to RELAX! She even tried to make ME become a seamstress, to no avail (I tried to convince her it had STRESS in the word for a reason!). She made my Wedding Dress and multiple costumes -Tweety Bird; Raggedy Ann and Andy (Charlie and I wore those); and a Flapper costume, just to name a few! I love and miss you Mom. You had a great sense of humor. I'm glad you'll be with Dad again!*

*Love,
Donna*

I remember those costumes, Donna....I even came across a photo of them when going through some of Mom's stuff. I'll be sure Sarah scans it for us before giving it to you. Yes, Mom did make those yummy pancakes---almost like crepes. And, yes, I definitely agree that STRESS belongs in the word "seamstress!"
