“*Aloha Post Family, I just wanted to pass along my heartfelt condolences upon hearing of the passing of Will. I have never forgotten what Will did for me during my time at OSU. Here's how I remember Will. While we don't always realize it at the time, there are people in life that go that mile to place that extra step on the ladder you are trying to climb in life. That step allows you climb that little bit higher and see that little bit further and realize opportunities that would never have been possible without that missing step in the ladder. Will did that for me by going that extra mile and giving me my very first job in the United States. As a foreign student at the time, Will reached out to leadership at the College of Liberal Arts and somehow made it possible for me to be one of the original employees of his new car wash venture. To this day, I have very happy memories from that experience and have always been grateful that Will went that extra mile for me. God bless Will and RIP. Aloha, Nevin Field, OSU and original Splish Splash Express Team Member.*

“ Paige,
I happen to be in Corvallis this week, and saw your father's obituary. I am so sorry for your loss. I have very fond memories of being at your house in high school and how your parents were so welcoming, no matter how many of us there were (nor how loud we were!). We will keep you in our prayers for God's comfort and peace through all of this .

Paige - I only knew you when you were very young (5) and I was working in the School of Forestry) — School then vs College now. I worked in the office with your mom and subsequently knew your dad. Your folks gave me a wonderful baby shower at the beautiful home on Grandview. Your dad was such a gentleman! In deepest sympathy to you and your family. Beth Pond

“ Our memory of Wil is that he was a good man and always had a positive greeting and a smile when we met. He always worked for the betterment of OSU and his community. We always think of Wil and the family every time we pass the Post property when traveling north toward Monmouth. Our thoughts go out to Janelle, Paige and the family. He will be missed by all who knew him.
